Ref. No. SWR/011

Dated: 14/03/2024

The Secretary
Central Board of Secondary Education
New Delhi

SUBJECT: SUBMISSION OF RECTIFIED G+2 BUILDING SAFETY CERTIFICATE

Sir/Madam,

This is to bring into your kind notice that we had applied for the CBSE affiliation vide application no. SL-00220-2425.

Our school campus comprises of G+2 building, for which we applied for the Building Safety Certificate and fire safety certificate.

We received both the certificates and the same were submitted at the CBSE portal for affiliation purpose.

The Fire Safety Certificate mentions the safety of the entire G+2 building.

However a typing error was discovered in the Building Safety Certificate which mentions the G+1 status of the buildings instead of G+2.

We are sorry for this error.

The new rectified certificate is being attached herewith for which ensures the G+2 building safety status.

Submitted for your reference, record and further perusal

Thanking you,

Yours sincerely,

Amardeep Kaur.
